* - Designates Legacy Country Pleasure Points earned (CP) but not shown. Re-calculated points are added to existing CH Points in totals row. Results displayed through June 2007 are only for competitions licensed by the United States Equestrian Federation (formerly American Horse Shows Association and USA Equestrian, Inc.) in the Saddlebred Division only, as received from those competitions by the American Saddlebred Registry, Inc. through December 2014, and by the American Saddlebred Horse Association, Inc. beginning January 2015. From July 2007 to the present, results include all competitions licensed by United States Equestrian Federation, as well as unlicensed competitions recorded with the American Saddlebred Registry, Inc. through December 2014, and with the American Saddlebred Horse Association, Inc. beginning January 2015. Where complete results were received from a competition, including entries not receiving a ribbon, the designation AS = Also Shown, the entry having competed without receiving a prize/ribbon. While we make every effort to avoid mistakes, we assume no liability to anyone for errors. Significant errors should be called to our attention by email, to saddlebred@asha.net; once the information is checked/verified, corrections will be made in the normal course of business. Competition records prior to 1990 may be incomplete. For shows held before 1984, horses may have been showing against non-registered Saddlebreds.
